Dear Ed:

I think the FAO theme is great, and along that line have picked up some theme ideas from the staff--as follows:

1. "Coins -- Food For Thought"
2. "Coins -- Links In A Chain Of Peace"

Then for kickers, a couple of staffers threw in the following:

1. "Don't Swallow That Penny -- It May Be Numismatic" Ugh!
2. "Edible Coinage" Ugh! Ugh!

Personally, I like both of the first two, and lean slightly toward number 2 "Coins -- Links In A Chain Of Peace"

Sincerely

Ed Neuce
